- Effective Bacteria and Virus eliminator
- Effective Odour Destroyer
- Effective Mould, Slime & Algae Destroyer
- Effective Stain / Tannin Remover
- Rapid Action
- Non Scented – Neutral Only
- Cruelty Free, Vegan Friendly & Biodegradable.

Bleach 10 is a powerful water-based solution of sodium hypochlorite for sanitising, disinfecting and de-contaminating surfaces, inanimate objects, walls, floors, drains and toilets etc. Always clean visibly dirty surfaces with detergent cleaner before disinfecting with bleach.

General Use: 1 part product to 50 parts water for general cleaning, sanitising, disinfecting, deodorising, soaking and destaining. Perfect for soaking dish-cloths and sponges.

1 part product to 100 parts water to bleach whites - items may be left in an overnight soak solution. Rinse thoroughly after soaking.

Neat Use: Toilets and drains – ideally apply and leave overnight to kill germs and remove stains.

Will eliminate unpleasant smells trapped in drains.

Sinks – spray into plug holes and overflows, leave for 5 minutes then rinse away.

Supplied concentrate in 5ltr containers. Multi-purpose to clean, sanitise and disinfect. Dilution ratios can be adjusted to suit per task at hand, giving you excellent cost-per-use to save you money.

Always wear safety gloves when handling this product. Take care not to splash as product can cause permanent damage to fabrics and some surfaces. Avoid using on chrome, stainless steel and aluminium. Do not mix with acids. Never mix chemicals!

All our own label products are Biodegradable. Vegan Friendly and Leaping Bunny Approved by Cruelty Free Int - no animal testing has been carried out. No animal ingredients used.
